

100%
PROFESSIONAL'S CHOICE

HIGH SHINE
**TIRE
FOAM**[®]
PROTECTANT

- One Easy Step to Clean, Shine and Protect Tires.
- Spray on and Foaming Action Floats Dirt Away.
- Keeps Tires Looking like New.

BETTER VISION TIRE FOAM PROTECTANT cleans and shines tires within minutes without wiping and leaves a lustrous shine. It also penetrates tire to protect against the elements that crack and fade sidewalls. This tire foam will clean, shine and protect tires and will not harm wheels or wheel covers.

DIRECTIONS:

- (1) SHAKE CAN WELL BEFORE USING.
- (2) Apply to wet or dry tires by spraying the foam 15cm from the tire in a circular and steady sweeping motions.
- (3) Ensure full and even sidewall coverage.
- (4) Allow 5 - 10 minutes to work.

FOR BEST RESULTS: Clean extra dirty whitewalls with BETTER VISION MULTI FOAM CLEANER

USAGE: Use only on sidewalls, not treads. Avoid over-spray on treads, brakes or floors. Do not use on cycle tires. Brake dust and other residue from tire can spot driveway. To avoid, rinse driveway immediately after use.

NOTE:

- (1) Do not allow wash water to enter storm drains, streams or lakes.
- (2) Do not use on glass, Plexiglass or clear plastic. To avoid spotting, wipe over-spray from glass before it dries, if it dried, use powdered cleaners to remove from glass.
- (3) Not-toxic, non-abrasive, non-caustic. Avoid contact with eye and prolonged contact with skin. Keep all chemicals out of eyes contact and children's reach.

CAUTION:
